Describe idea/issue (attach additional pages if needed):	

The TR PTO Board of Directors will include your idea/issue as an agenda item as soon as possible. Ideally, your idea/issue will be introduced at the next regular meeting, especially when it relates to current business. However, due to time constraints it may introduced at a later meeting. Depending on the nature of new issues and ideas, special meetings may be called to discuss individual topics at the discretion of the Board of Directors.

You may submit the form to the Timber Ridge Office, through classroom delivery or postal service:
